PRICE 10 CENTS

J F L RESEARCH

HOPES TO LOCATE IN WILMINGTON

The J F L Research Inc. Company of Brooklyn, New York has announced that it hopes to relocate in Wilmington, and has plans for the construction of a \$100,000 laboratory off Ballardvale Street.

The thirty year old company is engaged in Terme Conductivity testing, and has several important client firms within a short distance of Wilmington.

President Dr. Fred Cherne, of New York City, has an option to purchase 15 acres of land in North Wilmington, owned by Howard J. Murphy. About half of the land is zoned for industry, and he hopes to have the other half rezoned in the coming town meeting of October 25th.

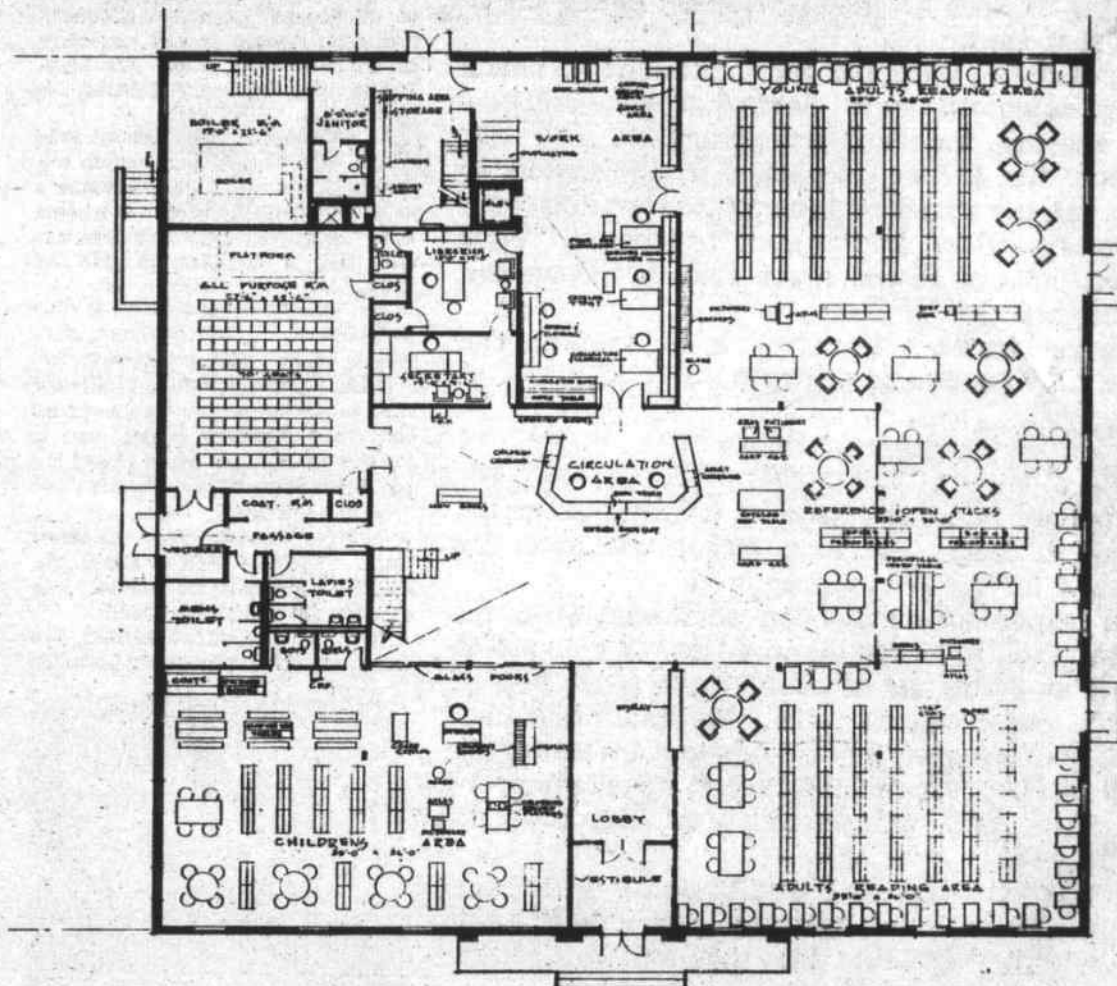

The laboratory, Dr. Cherne says, would be located in the center of the Murphy property. There

will be no need for excessive water, nor for other facilities such as commercial sewerage. The land was chosen partly because of its availability to the firms with which the company does business, and partly because of the possibility of a railroad siding, on the B & M RR.

About thirty persons would be employed in the laboratory.

Representatives of the firm have been discussing the plans for several weeks with Town Manager Richard Henneberger, and have also been in contact with the Wilmington Chamber of Commerce. The chamber is co-operating with the firm.

Dr. Cherne hopes to have construction started before the winter frost sets in, and to have the building completed, and relocation effected before January first.

ARCHITECT'S PLANS OF FIRST FLOOR, FOR NEW LIBRARY: By John Guarino, AIA. This is the plan which was shown to the Selectmen Monday night.

The Circulation Desk, in the center, will be in control of both floors as the Mezzanine, (second floor) is open above the central area of the first floor.

The All Purpose Room, at left, will seat 90 persons. At lower left is the Children's Room, and at lower right the Adult Reading Room. At upper right is a reading room for Young Adults.

A boost for a Freshman Rep

REP FRED CAIN TAKES OATH OF OFFICE FROM SECRETARY OF STATE KEVIN WHITE

Speaker of the House, John F. X. Davoren, Monday appointed Rep. Fred F. Cain of Wilmington to the Massachusetts Commission on Interstate Cooperation, to serve out the unexpired term of the former Speaker, John F. Thompson, of Ludlow, deceased.

Representative Cain is the only

member of the Commission to be ever appointed in his freshman year. The oath of office was administered by the Secretary of the Commonwealth, Kevin H. White.

Each of the fifty states has a Commission or Committee of Interstate Cooperation.

CHAMBER OF COMMERCE MEETING SEPT 30TH

There is to be a General Meeting of the Chamber of Commerce, at noon, on Sept. 30th. The meeting is to be in the Masonic Hall, on Church Street. It will start with a fellowship hour at 12, and luncheon will be served at 12:30.

There will be a Report to the Membership, but no speaker.

The next Board of Directors Meeting is to be on Oct. 19th.

IMMUNIZATION CLINIC

The first of the Tetanus-Diphtheria immunization clinics for adults will be held October 17th, at the Wildwood School from 10am to 12 noon.

Board of Health Physician, Dr. Gerald Fagan stressed the need for such immunizations, and urged residents and industrial workers to circle the date on their calendars. About 50 percent of those people who get Tetanus die, he said.

Tetanus or Lockjaw is still a serious threat to life. Diphtheria once was a disease primarily among children under five years of age, but today more adults are victims of Diphtheria, because they have neglected to obtain regular boosters every 10 years. Diphtheria is dangerous at any age.

Planning Board

Vote 'No' on Baby Beach

The Wilmington Planning Board, meeting for the first time in the former Hiller House, now the Middlesex County Bank Building, voted negatively on the questions propounded to the Board of Appeals, with reference to Baby Beach, Tuesday evening.

The vote which was unanimous, in effect tells the Board of Appeals that the Planning Board is not in favor of commercial bathing or parking at the much contested site, or on the adjoining property off Main Street. There was only a small amount of discussion before the vote was made. The motion was by Atty. James Banda, former Chairman.

Danny Gillis, Mrs. McKie and Mel Bloom were named to write the report of the Planning Board vote, which will then be sent to the Board of Appeals, if accepted by the Planning Board in its meeting next Tuesday.

Signs

The board had a long discussion on the so-called illegal signs in

Wilmington, and at one point, on motion of Mr. Banda, voted to send the Selectmen a letter asking that the law be enforced.

Gillis wanted to send an Inter-office Memo to the Building Inspector, asking that the officer take steps about the many 'sandwich' signs and others between the Reading line, on Lowell Street, and the Tewksbury line, on Main Street.

Banda objected to this, saying that he didn't believe the motion was in order. He wanted to give the Building Inspector a list of the violations, 'and don't pick a few'. Gillis' motion lost, on a 3-3 vote.

The loss of the motion brought out a statement from Gillis in which he declared that the Wilmington Planning Board is not interested in enforcing the law. 'It is simple', he said, 'and Joe Courtney had to threaten the town officials with a law suit, because they were not enforcing the law'.

Banda objected that it was not up to the Planning Board, but rather up to the Building Inspector, who should report to the Board of Selectmen. This brought a suggestion from Mel Bloom that the Planning Board send a letter to the Selectmen, a suggestion which was not acted upon.

Gillis then reminded the board

EVERYONE WANTS A LIBRARY - BUT

It is a foregone conclusion that the people of Wilmington want a decent library. When the previous Town Manager attempted to have the town meeting vote \$250,000 for a new Town Hall, the answer came back from the Town Meeting - make it a Library instead!

And, in the course of events, the town voted to build a library while the \$250,000 figure was the one still being contemplated. The 'responsible' committee planning it soon adopted a working figure far in excess of that sum.

The results of their planning has been to produce a building which will cost more than a school - or even two schools, if economy is practised.

The sad fact is that the people of Wilmington, at this stage of the game, will not vote \$886,400 for a public library, which is the sum requested. They should not. There is too much else that is needed to be extravagant.

Everyone wants a library. It is needed. The town must also be able to afford it.

Burlington's Case

The people in the neighboring town of Burlington are trying to build a library. They will probably succeed, and for far less money.

Their experience has been somewhat different than Wilmington's. They hired a library consultant for more than \$400, and he gave an extensive report of what the requirements were. He stated that they needed 60,000 volumes, in contrast to the Wilmington figure of 75,000. Their building is approximately 15,000 square feet. Wilmington, a smaller town, is planning 22,149.

The Burlington Library Building Committee has received a \$369,000 authorization from their town meeting, and they are sure that they will build their library within that price.

Wilmington's Permanent Building Committee, through the Board of Library Trustees, has said that Wilmington's Library will cost \$886,400.

Why?

JUST BEFORE THEY TOLD THE PRICE: Members of the Library Board meeting with the Selectmen Monday night, going over the plans for the new library.

In the corner, chin in hand, is Philip Buzzell, Town Counsel and member of the Board of Trustees of the Public Library. Mr. Buzzell had nothing to say during the meeting.

L to R around the table: Selectmen Charles H Black and Lloyd C Bender, Library Chairman Ralph Kelman (standing) Mrs Larz Nelson, Dr. Ernest C Wallent, Mrs Clara Chipman, librarian, Miss Frankie Allen, and Selectmen Paul Niles and Rene LaRives.

So I said, "Let's cut back on our insurance and save some dough."

Capt Donald Farnham will return to Vietnam

Capt. Donald Farnham, US Army is home on temporary leave, after four years service in the Far East, Vietnam and Okinawa.

His wife, the former Janet Small of Middlesex Avenue, and their two sons, Donald Jr and Jon, were in Okinawa with Capt. Farnham. The family are now renting, in Billerica.

A Wilmington High School grad Class of 1957, Capt. Farnham enlisted in the US Army, became a helicopter pilot, and was one of the first helicopter pilots to have active duty in Vietnam, in 1962 and 1963.

He was then transferred to duty in Okinawa, at Fort Buckner, from which he has just returned home.

Capt. Farnham, while an enlisted man in the US Army, was awarded the Good Conduct Medal, and in recent years has been given the Air Medal five times, for his service in Vietnam.

Before leaving Fort Buckner Capt. Farnham was awarded the Army Commendation Medal. The citation for this medal read:

'By direction of the Secretary of the Army, the Army Commendation

Medal is awarded to Captain Donald W Farnham, Infantry, US Army, for meritorious service during the period 5 May 1963 to 24 August 1965 while serving concurrently as Rotary-Wing Aviator and Operations Officer, United States Army, Ryukyu Islands. Capt Farnham's professional competence and thorough knowledge of operational and administrative procedures contributed immeasurably to the successful and safe accomplishment of his sections's mission. Demonstrating unusual technical ability and disregard for his personal interests, he actively participated in a large number of often hazardous air-sea rescue and medical air evacuation missions involving both military personnel and Ryukyuan nationals. His inspirational leadership and comprehensive foresight effected and maintained an operations section of superior efficiency. Captain Farnham's dedicated performance of duty and meritorious service are in keeping with the highest traditions of the military service and reflect great credit upon himself, this command, and the United States Army.'

EDDIE CASEY STARS
WITH NASHUA COLTS

Eddie Casey of Redwood Ave. is one of the stars of the Nashua Colts, semi-pro football team. Eddie wears #33, stands 5 feet and 11 inches, and weighs 190 pounds. He is a product of Wilmington High School, and also of Coach John Ritchie.

He is a Senior at Boston College. Eddie started playing for the Colts just two weeks ago, and Coach John Ritchie feels that he is to be the man needed to fill a gap in the line. In the two weeks he has been playing Eddie has made his presence known to the fans of the Colts

LEAGUE OF WOMEN VOTERS

Mrs. William Hooper, President of the Wilmington League of Women Voters, Mrs. Frank Canney, Mrs. Joseph Filipowicz, Mrs. Norbert Mader, and Mrs. Theodore McKie, League members, attended the Fall Conference of the Massachusetts League in Winchester on September 15.

Harrison Chadwick, state representative from Winchester,

gave the opening address, followed by state league officers discussion of the coming year's program.

The state league is now committed to press for reform in the areas of Civil Service, Regional Planning and Water Resources, and also supports abolition of the Governor's Council. These two items were brought to the attention of the delegates.

The League, this year, will continue its study of the State Legislature and begin a new study of the Educational System with emphasis on primary and secondary education.

Each League member attended a workshop of her choice, in the afternoon, to explore further a portion of the state program.

Paul Lynch

Wilmington's Chief of Police is back on the job, on a part time basis. He will be part time until Oct. 1, when he resumes full time.

Paul is down to 174 pounds, and is now allowed to eat anything he wants. But, his doctor says - no liquor!

Paul has gone one better, and quotes Dr. MacDougall, an eminent Scotsman if ever there was one in Wilmington, as giving a further order - 'and don't buy any for your friends!'

Doc Mac

Dr. MacDougall, referred to in the paragraph above, returned home last Friday, after a several week sojourn in the Winchester Hospital. He is much improved, but still doesn't know just when he will resume practice.

TOWN NOTES

Weather

Today is the time of the autumn solstice, the day that the sun crosses the equator southbound. It marks the first day of fall, and so far, this month, there has been no frost.

This is most extraordinary. Generally, in Wilmington, there is a frost about the 16th of September, but here we are, with the temperature in the 80's for the past week.

There has been frost - but not in September.

On August 30 there was a light frost, in places, and on the 31st, a heavier one. A number of small farms lost their squash, which is a very susceptible plant, and some lost their tomatoes. Others, back yard gardeners in particular, were able to protect their plants by spraying, in the morning, and washing off the ice before the sun's rays got the plants.

So far in September, we have had 1.84 inches of rain - not too much, but enough to count. There was .73 inches on the 13th, and for the next five days just a little every day. Lawns and gardens have been freshened up nicely, thank you.

Town Water

The new well field, down in the Town Park, is in operation. The pump was started on Sept. 13th, and has been delivering about 250,000 gallons of water, every day since then, into the town's water mains.

The Water Commissioners gave orders to Eddie Sargent, the Superintendent, to start the pump on Sept. 10th, which is a Friday, but Eddie delayed until next Monday.

It wasn't a matter of superstition, as one may suspect. There are people who don't like to start a journey, or launch a boat, or anything like that on a Friday, because they believe it will bring bad luck.

Eddie's reason was more pragmatic.

He started the pump on a Monday because he would be around all week in case anything went wrong. If he started on a Friday and something went wrong - well there would go the weekend.

Rose-Marie

Rose Marie Dukus, the new Town Manager's Secretary, is doing very well, from all appearances. 22 years old, a star student of the Commercial Classes in Wilmington High School a few years ago, she is being strictly non-political, which is the way a Town Manager's secretary ought to be.

On her first day at work there was a nice large bouquet on her desk - the gift of her former teacher in Wilmington High School - Mrs. George M.A.M. Webber.

A very nice gesture, we call it.

PLANNING BOARD (From Front Page)

that the Building Inspector had several times made statements (once when former Town Manager Cecil Lancaster was present) to the effect that he does not have the time to enforce the law. 'If he doesn't have the time, then let's get the Board of Selectmen to delegate the duties to someone else!' Gillis said.

Banda: We can ask if the Building Inspector wants us to go to the Board of Selectmen to get help.

Gillis: I am not making any more motions on violations on signs!

Bloom: Then can I?
'I move that we send a complete list of the violations to the Board of Selectmen'.

The board voted, but then agreed to delay for one week, until Mr. Gillis brought in his complete list.

Letters

A letter was written to Mrs. Philip Buzzell, thanking her for her suggestions about converting the old library into a building for the Historical Society, and enclosed is to be a letter to the society, outlining Mrs. Buzzell's suggestions.

Madelyn McKie

Madelyn McKie, the newest member of the board, suggested that the Planning Board ask the voters to approve of Chapter 40A Section 8, of the General Laws, the law which says that a zoning article which was turned down in a town meeting after an unfavorable report by the Planning Board cannot be brought up in a town meeting for the next two years.

The vote was five to one, with James Miceli voting no. He termed the vote as Planning Idiots, and said that if an industry sought to have some land rezoned, and it was turned down, it should not have to wait for two years.

Mrs. McKie also pointed out an 'error' in the zoning by-law, in that the laws pertaining to cleaning establishments were in two sections, one saying that plants could be established 'on appeal' and the other denying an appeal. It was, she told the board an error that had popped up as the result of a town meeting vote, and should be rectified before 'some sharpie takes advantage'.

Banda asked: Couldn't we have consultants go over this? and Mrs. McKie asked: Why wait?

The board voted in favor, and Mrs. McKie is to prepare the article for the town meeting.

The board met for two hours with representatives of the firm of Edwards and Kelcey, of Atlantic Avenue, Boston.

No final agreement was made, but the discussion was over a three year contract, to cost \$30,000 (one half re-imbursable by the Federal Government) in which Edwards and Kelcey are to revise and update the zoning by-laws, and portions of the 1957 General Plan.

The Library Board presented plans for a new \$886,400 library to the Board of Selectmen on Monday night. Federal funds will cover 25% of the cost, and Selectman Niles suggested that the Board write to Senators Kennedy and Saltonstall to find out if any other federal funds might be available.

Ralph Kelmon, Chairman, Mrs. Larz Neilson, Mrs. Clara Chipman, Miss Frankie Allen, and Dr. Ernest Wallent of the Library Board formally presented the blueprints to the Selectmen, and requested that a copy be kept in the Town Manager's office for the perusal of interested persons. A floor plan of the new library will be available in a special brochure to be presented to the voters at the Special Town Meeting on October 25. The new library is to be located on property presently owned by St. Thomas Church.

Kelmon outlined the building and operating costs of the new library facility, which is being designed to accommodate a town with a population of 30,000.

Building costs are estimated as follows: Architectural fees -

\$56,000, Consultant's fees - \$400, Site Acquisition - \$15,000, Construction - \$700,000, Equipment - \$60,000, Contingency - \$45,000, and Razing the present building - \$10,000.

The operating costs for the new facility are estimated to increase 2 1/2 to 3 times the current expenditure on a projected ten year basis. The 1965 operating costs for the present library are \$23,900 and for the new library, the 1975 operating costs are estimated to be \$67,500.

Additional help in the library and a book volume goal of 75,000 account for a major portion of the increase. A book volume of 75,000 is recommended for a town of 25,000. The present book volume of the library is 25,000.

Many attractive features have been planned for the new library. Some of these are separate areas for children, young adults, and adults; a centralized circulation desk; a facility room for story hours and other planned activities; a documentary room for historical documents of the Town of Wilmington; and listening facilities for

music.

Kelmon said that he wanted to make sure the Selectmen understood that the Permanent Building Committee's choice of an architect other than the one recommended by the Library Board, did not indicate any rift between the two agencies of the town.

The architect, Mr. Guarino, has agreed, Kelmon said, to work with McNiff, the consultant hired by the Library Board, which is a satisfactory arrangement to all concerned.

Executive Session

The Board spent forty-five minutes in executive session with the Presidents of the Wilmington Veterans' Corporations and the Commanders of the Posts and Chief of Police Paul Lynch discussing the complaint of a Grove Avenue resident on the disorderly conduct at the DAV Club.

Richard E. Dunn, who lodged the original complaint at last week's meeting, was not present for the Executive Session.

Permanent Building Committee

The Contractor's turn

The White Construction Company, in the person of its president, Mr. Cappozola, explained the delays, to the construction of the West Intermediate School, Tuesday night at the Permanent Building Committee meeting.

Mr. Cappozola was introduced to the members of the PBC by the architect, Mr. Guarino.

Chairman Michelson started the discussion by reading a letter from the White Company, giving the reason for the delay as coming from the steel strike this summer.

Then a letter was read from the West End Iron company verifying that there had been a strike in effect from July 16 through August 10, 1965.

Cappozola was requesting a 30 day extension of the contract, because of the delay in arrival of the steel. He brought his own Progress Schedule, which was somewhat different from that of Robert Barry's and said that he had come of his own accord to explain the delays, and especially to clarify his position before the committee, after having read the 'local paper'.

He offered to answer all questions. 'Had the steel been here we would be far ahead'. 'Steel is all set for Wednesday morning. All the joists will be there.'

Michelson told Cappozola that the committee is most concerned with having the school ready for occupancy in spite of the liquidated damages and allowing sufficient time to uncrate the equipment, etc so that it would be in place by the time of the scheduled school occupancy.

Barry: Quite a bit behind right now, on your own schedule!

Cappozola: Oh No! We're not! And if the steel were here on schedule when it should have been, we'd be considerably ahead of schedule. Even moneywise, the difference of \$42,000 is more than covered by the steel work. You gentlemen will get this school on time barring anything that I cannot control.

Currier: I've been over there and it looks ridiculous to have 2 or 3 men working on a half million dollar job!

Cappozola: What would a large crew prove? Basically the cement work is done. Now it will start to blossom. We can't control strikes. -- Between now and Thanksgiving you won't even know the job!

Currier handed Cappozola a list. 'Here is what I would like to see from your own letter. It (Construction) wasn't ready on the date set - Sept. 1st!'

Cappozola assured Currier he'll get the school on time.

Harold Shea, Supt. of Schools: The building has to be ready on schedule because the truckloads of equipment can back up, and much can be lost in time and money.

Barry: We can't see that any extension is justified.

Cappozola: The time schedule was a little unrealistic.

Michelson: Wait a minute! That's an important point - 12 months is a good time limit.

Cappozola told the committee that a strike is an act of God. 'We can't tell them not to strike!'

Michelson: Any more questions? I don't think the decision will be forthcoming tonight.

Barry: There was other work that could have been done while waiting for the steel. You're even behind on that.

Cappozola: But the big thing is the steel.

Barry: Electrical work? Leaching Beds?

Michelson read from the General Laws, Article 18, that if a contract is delayed, etc, including labor disputes, the time of completion can be extended on the approval of the architect.

Currier: A matter of record now, but can the company make up this lost time before cold weather sets in?

Cappozola: Yes, Definitely. The seeding is to be done this year too. We have until the first of November to seed.

He cited a new school in Arlington where the work is being done on time by the White Company.

Michelson: No reason at all why all schools in Wilmington cannot be done on time - and you'd better believe it!

Mr Cappozola left.

Other business

The architect brought up the drainage problem at the Woburn Street School, and also mentioned one sub-contractor's excusing the warped tiles by stating that 'the building is shrinking', an excuse that touched off a round of chuckles. The architect went on to explain that the real reason for the warping was the use of a too light gauge in the materials, according to the business standards used by the manufacturer.

Guarino then read a letter from McNiff, the library consultant, with regard to the arrangement of furni-

ture.

Mr Jaeschke, Public Buildings Superintendent, asked about the bounds between the High School and the Baptist Church. 'They're cutting down trees, and it might be on High School land'

Michelson: That is the responsibility of the Town Engineer. There should be a permanent marker.

Barry plithly philosophied that perhaps it is best to put the burden of the proof on the fellow who cut the tree.

Barry then moved to instruct the architect to send a registered letter to a Woburn School sub-contractor to have the reseeding completed by October 29th.

Currier: (getting back to the West School) What good is a promise by the White Company?

Michelson: Well, we'll give him the 30 days, but from now on, no more. When he starts the brick work, I'll be there -- according to the contract he's going to do it himself.

The meeting ended at 9:10 pm.

ST. THOMAS CHURCH

Masses: Sunday - 7, 8:15, 9:30 10:45, 12:00. Weekdays - 6:45am Friday - 8:15 pm, meeting of the parish Council at Villanova Hall.

Next week the priests of the parish will undertake a census.

Lion's Club Bulb Drive

The Lions Club of Wilmington will conduct their bulb, broom, and towel drive the week of September 26, to raise money to help the Blind through Research and in some cases, directly.

For a \$2.00 donation, the buyer will have a choice of a package of 60, 75, and 100 watt bulbs; a wrapped unit of one bath, one hand towel and one face cloth; or an excellent broom which is a product of the Division of the Blind of the Commonwealth of Massachusetts.

The Lions of Wilmington could very well spend over \$20,000 in Wilmington on needy cases or projects and need your support. A Lions member will deliver any

of the items before the date of the Drive, if needed, upon a call to any Lion.

The Lions wish to caution the public that in the past persons who were not Lions had knocked on doors in advance of the Drive. Please ask for positive identification from anyone calling upon you prior to September 26.

The following are the Areas, Captains and Assistants.

#1 - Harvey (658-8072); LaCreta, LaBella and Berubee
#2 - Wilkie (658-8821); Canney, Burke, and Parsons.
#3 - Ahern (658-4822); Mica lizzi, and Sobelman.
#4 - Kidder (658-3467); Eddy, Noelke, and Brisbois.
#5 - Barden (658-3646); App, and Cavanaugh

#6 - Gonzales (658-9258); Levergood and MacDougall
#7 - Dingwell (944-4137); Phillips, and Kristal
#8 - LaRivee (659-3556); Campbell and Jacobs
#9 - Pierce (Br2-0286); Johnson and Lyford
#10 - Theriault (658-9081); Rossi and Drolette
#11 - Richardson (UL1-7141); McCoy and Epstein
#12 - Finlay (658-4345); Skantz and Devaney
#13 - DeFrancesco (658-9240); Bagrowski and Davis
#14 - Cuoco (658-2932); Cain and Schiavone
#15 - Cushing (658-3341); Marden, Cutter and Costello
Mr. Tony DeLuca (658-8663) is the Committee Chairman.

FUNERAL SERVICES FOR BERTHA J. MANSON

Bertha J. (Jakobsen) Manson, 65, of Casco Street, Billerica, formerly of Wilmington, passed away after a long illness on September 15th, at the Lowell General Hospital.

Born in East Boston, Mrs. Manson was a retired registered nurse at the New England Sanitarium in Stoneham.

She is survived by her husband Spurgeon D. Manson, Sr., three children, S. David Manson, Jr., of Moore Street, Wilmington, Deborah Fitzgerald and Donald Manson, of Billerica and a brother, John R. Jakobsen of Wilmington. Five grandchildren also survive.

Funeral services were held from the Nichols Funeral Home, Middlesex Avenue, on Friday, September 17th, at 2 pm, with the Rev. C. Paul Bush of the Congregational Church of Billerica officiating. Burial took place in Wildwood Cemetery, Wilmington.

SERVICES FOR CHARLES T. ABROMOVITCH

Charles T. Abromovitch, 7 Shady Lane Drive, died suddenly in the Newton Wellesley Hospital, on Sept 15th.

44 years old, and a native of Bridgewater, he was a veteran of World War II, and was employed by the Sylvania company.

Services were held at the J B McMahon & Son Funeral Home on Middlesex Avenue on Saturday at 9:45 am, followed by a High Mass of Requiem at St. Thomas Church, celebrated by the Rev. Francis W Mackin.

Burial was in the family lot in Wildwood Cemetery, with Father Mackin reading the committal prayers. Pall bearers were Michael Robak, Albert L. Liezre, William Kosky, Joseph McDonough, Leo Alemda and Thomas McNamara.

Surviving are his wife, Mrs. Ruth Laranowich Abromovitch and three daughters, Barbara Carroll of Marlboro, and Marie and Doris Abromovitch of Wilmington.

NEW OFFICERS OF THE WILMINGTON GRANGE: Installed in ceremonies at the Grange Hall last night.

L to R: Roland Desharnais, Secretary; Ann Lawson, Flores; Anthony Rocco, Master; Ann Whitkum, Pomona; Alida Surrrette, Ceres; and Bob Howard, Overseer.

PRESIDENTS' CLUB MEETING

The 8th District Presidents' Club of Massachusetts will hold the Fall meeting Tuesday Sept. 28th, at the Methodist Church in Wakefield at 12:30 pm.

Mrs. Marshall W. Ross will be the honored guest, and Mrs. Harold Given will lecture on 'Norway, My Native Land'.

BRO. WILLIAM NOLAN TO STUDY IN GERMANY

Brother William J. Nolan left for Germany last week, where he will study Theology for four years

after which time he will be ordained. Brother Nolan is a brother to Francis Nolan, Guidance teacher at the North Intermediate School and a sister of Mrs. Elizabeth McNabb of 6 Fitz Terrace.

Father Francis Mackin of St. Thomas Church sponsored Brother Nolan in 1958 at the Sacred Heart Church in East Boston.

Brother Nolan graduated from the Don Bosco Juniorate in West Haverstraw, N.Y. in 1957 and from Don Bosco College in Newton, N.J. in 1962, with high honors. He taught 3rd year Chemistry and Mathematics at Don Bosco High School and also was Guidance Counselor for the Juniors.

Christine Gunn is a bride

was pink tea roses.

The new Mrs. Goodridge, for her wedding trip to Niagara Falls, wore a 2 piece travel suit of beige lace and black, with black accessories. A white carnation corsage completed her ensemble. They will return to their own home in Lowell.

The bride attended the Wilmington Schools and is a member of the Wilmington Order of Eastern Star and Rainbow Girls. She is employed by the Polaroid Employees' Federal Credit Union.

The groom was educated in the Lowell Schools and has served 3 years in the U.S. Navy. He is employed in Waltham at the Polaroid Corporation.

VALERIE CAMBER

Miss Valerie Camber, of Chestnut Street, the daughter of Mr and Mrs Earl Camber, has been accepted as a student at the Montreal School of Art and Design. She will start her studies on October 1st.

Henneberger charmed the ladies

THE TOWN MANAGER, Richard Henneberger, and his lady were the guests of the League of Women Voters, last Thursday, at a dinner in the Methodist Church. Mrs. Henneberger is to be seen close to her husband, on the right, and to the left is Mrs. Barbara Hooper, President.

HE REALLY CHARMED THE LADIES: After the dinner, when he related, in his 'Missourah' accent, the story of how and why he became a Town Manager.

TWENTY FIFTH ANNIVERSARY: Was celebrated by Mr and Mrs Ralph M Zwicker, 4 Davis Road, last Thursday, with a party in an out of town restaurant.

Married in the Immaculate Conception Church of Everett on Sept 16, 1940, the couple have four children, Ronald, a corporal in the United States Marine Corps, Buddie, Kathleen and Thomas. He is a Past Commander of the Wilmington Post, American Legion, and she is a Past President of the Auxiliary.

Letter

Dear Larz,

A letter to the Town Hall and the people of Wilmington.

I ask you! Why doesn't the Town of Wilmington have a movie theatre? With 4336 children in Wilmington, nearly half, if not more of them are of the age of wanting entertainment. It is not only dangerous, but it is foolish for all these children to have to take a bus or have to get their parents to bring them to the nearest town to see a movie.

So I ask you what is the reason for no movie theatre in Wilmington? You can plainly see it is not only wanted, it is needed in a growing town like Wilmington.

Yours truly,

Deborah Russell
166 Main St., Wilmington

Esther Krey is bride of Albert Lowrey

Esther Elizabeth Krey, the daughter of Rev. and Mrs. Rudolph E. Krey, 54 Andover Street, North Wilmington, became the bride of Albert S. Lowrey of 31 Gray Street Cambridge, the son the late Mr. and Mrs. Richard Lowrey, Whitefield, New Hampshire.

Rev. Rudolph Krey and Rev. Paul Brauer officiated at the ceremony which took place August 29th at 2:30 pm at the First Lutheran Church, Berkley and Marlboro Sts. Boston. Bouquets of giant white chrysanthemums flanked either side of the altar.

Mr. William Gruen, tenor, sang the Lord's Prayer and O Perfect Love.

The bride was given in marriage by her father.

Ruth G. Krey, sister of the bride, was the Maid of Honor. Johanna I. and Priscilla H. Krey, sisters of the bride were the Bridesmaids. The Flowergirl was Stephanie Mathurin, a niece of the groom.

William Mathurin, brother-in-law of the groom, was the Best Man. Brothers of the bride, John T., Peter D., and Andrew E. Krey, served as ushers.

The bride's gown of white linen and Venetian lace was designed with a Bateau neckline and petal sleeves of Venetian lace and a detachable Cathedral train. Three tiers of Venetian lace on her slim skirt accented the Empire waist. A silk illusion veil fell from an open crown of petaled lace and she carried white orchids and stephanotis placed on a background of Lemon leaves.

Her attendants were gowned in linen of mint green and moss green velvet. Fashioned with a Bateau neckline and mid-way sleeves, the A line skirt accented the Empire waist and mint colored Dior bows highlighted the gowns. Their bouquets were moss green orchids and miniature mums.

The Flower girl wore a floor length gown of mint green taffeta with a matching bow in her hair.

The reception was held on the spacious lawn at the home of the bride's parents. The food and punch tables were placed beneath white and green canopies, decorated with garlands and hanging baskets. A buffet supper was served.

The mother of the bride chose a blue lace dress for her daughter's wedding. A matching blue flower-petal hat and a corsage of pink orchids completed her costume.

The new Mrs. Lowrey for her going away ensemble wore a red suit with navy accessories.

The newlyweds are honeymooning in Europe, touring the cities of Geneva, Hamburg, Paris, and London. On their return, they will reside at 988 Memorial Drive Cambridge.

The bride was educated in Germany and is employed as Assistant Investment Manager by Keystone Funds.

The groom is a graduate of Oxford Business College and is Assistant Comptroller of Brown Brothers, Harriman & Company in Boston.

Thank You!

Our heartfelt thanks to the people of Wilmington for their response to our Open House of last Saturday and Sunday. The many visits from our fellow townspeople was just overwhelming. Thank you again!

SELECTMEN'S MEETING
(From Page Four)**Welfare Board**

Mr. Coleman of the Welfare Board, Bob Barry and George Boylen of the Finance Committee met with the Selectmen to discuss a proposed transfer of funds to meet a threatened deficit in the Welfare funds.

Coleman explained that an expected \$17,020 deficit is due to a \$12,000 cut in appropriation categories by the Town Manager and the fact the \$5,000 in unpaid debts had not been included in this year's Welfare budget. Consequently, the Welfare Department is operating at \$17,000 less than last year. There is still a \$47,900 balance in the welfare accounts, and the department will not go into the red until the end of the year.

Barry pointed out that the Reserve Fund was for real emergencies, and the Finance Committee does not like to transfer funds accounts that still have a balance. He suggested a warrant article at the Special Town Meeting for a bond issue to meet the deficit and said that he would need a balance sheet before presenting the matter to the Finance Committee.

Assistant Town Manager Peters protested the request for the federal balance sheet, saying it hadn't been done before and it was simply making more work for him.

Bender thought it reasonable that all available information be given to the Finance Committee.

Selectman Niles felt that since there was still a balance in the account, there was no real urgency to the situation. The Selectmen asked that the Finance Committee take the matter under consideration and try to come up with a solution.

Lowell Gas Company

The Lowell Gas Company requested permission to extend their natural gas line 3,706 feet from Woburn Street between Federal and Concord Street, and on Concord Street from the Eagle Can Company to the North Reading - Wilmington line.

When Mrs. Drew called for a vote on the matter, Bender said that he thought there should be a public hearing on the matter. 'No public hearing is necessary on this,' Mrs. Drew replied.

Niles and LaRivee then voiced their feeling that a public hearing should be held.

'What's all the fuss about', Mrs. Drew said, 'we've never had a hearing on a thing like this.'

Mrs. Drew submitted to the majority opinion, however, and a hearing was scheduled for next Monday night.

Power Commission

Several names were put in nomination for a proposed Power Committee to study the possibility of a local power commission for Wilmington.

Robert Leahy of Woburn Street and Albert Parsons, North Street were nominated by Bender. Niles nominated Erwin Hanke of Carolyn Road, and Mrs. Drew remarked that Niles had nominated her man.

Black nominated Ralph Kelmon, but it was commented that he might be unwilling to take the position. LaRivee said that he hadn't had a chance to speak with his man yet, and the matter was postponed for final action until next week.

Mrs. Drew remarked that since the others were all nominating men who were engineers she would have to find a nominee for next week who was not an engineer by profession.

Sunday License

An application by The Sub-Way on Route 38, next to Wilmington Plaza, for Sunday and Common Victual licenses was unanimously granted by the Board.

Congregational Church

Permission was granted to the Congregational Church to hold an auction on October 2, and it was agreed that no fee would be charged.

Perambulating Town Boundaries

Last week the town agreed with the towns of Andover and Tewksbury, on dates for perambulation of the town boundaries. Niles and Bender are scheduled to perambulate the Andover boundary, and LaRivee and Black the Tewksbury boundary.

Selectman Black pointed out that these arrangements were not legal, since the law required that a majority of the Selectmen perambulate the town boundaries.

Since the evening was exceptionally warm and the air conditioner out-of-order, action on this question was deferred until a later date.

BOOKMOBILE

The Bookmobile will call at the Glen Road School Monday, September 27, at 1:15 pm and at Hathaway Acres at 3 pm.

Board of Appeals decisions

Four appellants to the Board of Appeals have received favorable decisions, and one case was denied in recent decisions handed down by the board.

Everett P McQuaid of 71 Middle sex Avenue was granted permission to build a two car garage on his property only five feet from the lot line.

Mr McQuaid appeared before the board on June 15th. He could not build in back of his home, he told the board, because of a leaching field, and if conformed to the law on the sideline it would mean cutting down a large tree.

The board granted the appeal. Mrs Ethel Clinch, Chestnut St. was granted a variance on frontage on a new lot, on Chestnut Street, beside here home.

Her case was heard on July 13. She told the board that she would like to sell her existing house, as it was too large for her, and she would like to divide the land into

two lots, and build on the second. It would have 32,349 feet, but only a 100 foot frontage. The law requires 125 feet. Her appeal was granted.

Lester E and Barbara Jewer of 17 Harris Street were granted a variance on the side and front line distance for their home. The home has been lived in for the past 24 years, and it was recently found that there was only an 11.5 foot sideline clearance, and a 16 foot front yard clearance.

They would be unable to get a mortgage, from a bank, without a variance from the Board, Atty James Mawn told the board on July 13th.

The variance was granted.

David G Newhouse appeared before the board on June 1 to request a variance which would allow him to divide a parcel of land on Broad and Carol streets into two residential lots, having less than required depth or area. Abutters

were present to oppose the variance. The board denied it.

Robert G Bousefield appeared before the board on July 20 to request a variance for a lot of land on Ferguson Road. Lot B lies at the end of the road, has an area of 24,228 square feet, but only a 95 foot frontage. 125 feet is required. The appeal was granted.

HIGH SCHOOL BOOSTERS CLINICS

Attention Parents and all interested adults:

The Wilmington High School Boosters Athletic Assoc. will sponsor a series of sport clinics for all high school athletics every Friday evening at 7:30 pm, starting this Friday, September 24th in the High School Gym.

(Sorry, no students allowed in the audience.)

During the football season, the clinic will consist of the presence of coaches and football team. Plays, uniform and official rulings will be explained.

HOCKEY MEETING

THERE WILL BE A MEETING SUNDAY NIGHT
AT 8:30 PM, AT THE SKATING CLUB ON CHESTNUT
STREET, FOR ALL THOSE INTERESTED IN
FORMING AN ORGANIZATION TO PROMOTE
HOCKEY WITHIN THE TOWN OF WILMINGTON.
IT IS HOPED THAT HOCKEY CAN BE PROMOTED
ON ALL LEVELS.

Chargers top Saugus 6-0

The Wilmington Chargers, Pop Warner Football team defeated Saugus 6-0 in their league opener at the high school field.

After taking the opening kick-off, the Chargers marched 60 yards in 9 plays with Butch Everett going around left end from 8 yards out. Steve Catalano, in the try for extra points, found Bruce MacInnes all alone in the end zone, but it was nullified by an illegal procedure penalty with the second attempt failing.

The remainder of the game was a defensive battle with Mike Esposito picking off two passes and Dick Gillis and Tom Mazzapica taking one apiece.

The Chargers secondary team played an outstanding game which was considerably tightened by the return of Dick Gillis who had been out with a broken arm for two months. The new defensive ends, MacInnes and Catalano, contained the end runs that haunted them in the exhibition game with Cambridge a week ago.

Connie Barry will work the line this week with a scrimmage, under the lights in Burlington.

Revere will be the opponent in a league game at 1:30 pm, Sunday, September 26 at the high school field. Please note the change - this had originally been listed as an away game.

Subscriptions to the Town Crier

\$1.00 to Dec. 31, 1965 - Delivered by mail

Subscriptions to the Town Crier, (delivered by mail) are \$3 a year, in Wilmington, and \$4 a year for out of town. Subscriptions start on Jan 1, and end on Dec. 31.

The Town Crier normally does not bill for subscriptions due. Subscribers are expected to mail in their payments on January first. For Wilmington residents who desire a bill, one will be mailed, but the price will be \$4.

Subscriptions may be made at any time during the year, by Wilmington residents, by sending in a check or money order for 25 cents for each month remaining until the next Jan. First. Thus, for the First of September, a new subscription would cost \$1.

YES, I WANT THE TOWN CRIER

Enclosed is \$1.00. Mail me the Town Crier until Jan. 1, 1966. At that time, if I wish to renew, I will send \$3 without having to be billed.

GIRL SCOUT EXHIBIT
SEPTEMBER 25

An exhibit of Girl Scout activities will be held at Rotary Park, Saturday, September 25 to herald the opening of the annual fund drive for the Wilmington Community Fund.

The Fund supports Scouting as well as the other youth activities of the town and gives a helping hand to our residents in temporary need of assistance.

The girls will be demonstrating the various training and skills they have learned from 10am to 4 pm.

In case of rain, the exhibition will be held on Saturday, Oct. 2nd.

YOUTH CONCERTS
AT SYMPHONY HALL

Youth concerts at Symphony Hall in Boston, a series of three concerts for young people, featuring 60 Boston Symphony musicians under the leadership of Harry Ellis Dickson, will open the 1965-66 season on Saturday, Nov. 6 at 11 am.

Mr Dickson has chosen as his theme for the first concert a series of questions with appropriate musical answers by the orchestra. Included will be 'What is an Orchestra?' 'What is Baroque, Classical, Romantic and Modern Music?'

Young people from Wilmington who may wish to subscribe may call the town co-chairmen, Mrs. John Hayward or Mrs. Alanson Platt, 658-3306 or 3445. The cost is \$7, which includes three concerts and bus transportation.
